CAMELLIAS, EVERTON NURSERIES

The Queen's tidy up

On a bright, breezy Saturday afternoon, a small band of hearty village folk gathered at St Mary's Church to take part in the litter pick, "Clean for the Queen" event.

The tidy-up was supported by the District Council, providing the group with all the necessary equipment, so it was extremely well organised. The group set off in pairs to various destinations in the village and had, as you can imagine, absolutely no difficulty in filling their sacks, with very assorted litter, in a short space of time. In all, sixteen sacks were collected and one lucky couple had a box of chocolates presented to them as a thank you; what a kind thought.

On return to base, the volunteers were rewarded with cups of tea and cake provided by Gillian, a very welcome gesture. All said how much they had enjoyed the event and how much they would like to think our lovely countryside could be kept litter free.

We urge people to just think before dropping their rubbish!

Everton Community Association Editor's Musings

Dear Members

Well Spring seems to have arrived at last but what a miserable start to the year it has been. The winds have been very cold and what a lot of rain we have had.

I did the Clean for the Queen weekend but am sad to say that only 8 people turned up to help. What I did find surprising was how many plastic bags of dogs excrement I collected with my companion. Why do people do this? It takes years for the plastic to disintegrate and we all have to look at it until it does. This happened with me and my partner in Farmer's Walk where there are dog poo bins at either end. Why throw it in the ditch and put it into the bushes when it can be disposed of easily in the bins!!

We have the Festival Weekend to look forward to in June and I hope to see you there. Once again Cheryl and Steve are organising this event together with a wonderful sub-committee. Thanks to all. I am sure it will be a great success, as usual.

Just to mention that I have seen the Mayor of Lynton a couple of times about the 119 bus but as yet have got no further.
I will not give up yet.

Enjoy the Village Festival and the summer.
Barbara Runham

Dear readers,

The year is racing along isn't it?

It's only a matter of weeks now until the bunting and banners go up for the Village Festival...let's hope we don't lose anyone in a ditch this time although there's certainly the opportunity for fun and games as our strong arm team has been increased, and hanging bunting, as you all know, can be a seriously difficult business. There's always room for more strong and fit senior players though, so do get in touch!

There's lots of info in the Newsletter to enhance the enclosed Festival Flyer but please check the website for regular updates. I do so hope that you'll all find something to enjoy!

This year the Festival Committee have tried hard to include interesting attractions for the children and to that end there's Falconry and Face Painting on the Rec on Saturday, (not forgetting all the amazing play and fitness equipment in situ) and the stunning Hand to Mouth Theatre company on Sunday at Everton Nurseries.

And how amazing is it that the big band Swing Unlimited have agreed to come along and perform? We really are very lucky as tickets are only £5...a third of what it usually costs to see this popular band! It's the same with many of our entertainers, so do come along and take advantage! One last word, and I know I keep saying it BUT...this Festival takes a fair bit of organising, nonetheless it is a fun and an enjoyable way of getting involved in Village Life...so do get in touch if you'd like to help out!

Moving onto the subject of the Newsletter, I expect you'll have noticed that we've taken a leap forward into colour and we have returned to our original slimmer version, I hope you all approve! Thanks to everyone who has contributed to this issue, I think it's great that so many Villagers put their efforts into this Communication.

Finally, I'd just like to point out that whilst it's great to have your feedback, it's not so great to receive letters that aren't signed! Please don't do that, it's quite upsetting.

Hmmm...we're still hoping to find a new Editor....
See you at the Festival,
Ed.

FESTIVAL TIME

- Want to make friends?
- Want to have fun?
- Want to get involved in our Village life?
- Want to play a part in making our Community a really vibrant one?
- Then why not try giving a helping hand (no matter how small) at this year's Village Festival?

Thatch'll do very nicely...but not anymore

3

(Title from an article in the New Forest Post Sept 11th 2003)

The Everton news recently received a few letters querying the thatched roof of Apple Tree Cottage in the centre of Everton. The questions focused on how the removal of the thatch and subsequent replacement with tiles, related to planning control.

One resident contacted NFDC Planning and Transportation for us to find out. This is what the Planning Officers said;

'The alteration from thatch to tiles would materially alter the appearance of the building and would be considered as 'development'. However there are some alterations which are 'permitted development' and from looking at the 'Permitted

Development Order 2015' the proposal would be considered under Class C, alteration to the roof (but no extension). The property is not situated within a conservation area and is not listed.'

Therefore Planning Permission was not required.

Whilst we all understand that sometimes development is unavoidable, and in this case rethatching wasn't an option due to the fragility of the ancient under structure, it was still a shame to watch the thatch come off Apple Tree Cottage, one of the historic and landmark cottages of Everton and one which featured on postcards of the 50's

Apple Tree Cottage with over 60 tons of thatch!

And finally for your information Swan Cottage, the last thatched cottage in Everton is a listed building.

News From Hordle Parish Council

Parish Council meetings. These take place on the 1st and 3rd Tuesday of every month at 7.30. Each meeting is preceded by a 15 minute open session from 7.15. Please do come along and meet your Parish Councillors.

Clean for the Queen. This is a campaign to clear up Britain in time for Her Majesty the Queen's 90th birthday which will be officially celebrated in June 2016. When she came to the throne litter was not the problem that it is today. Food packaging, plastic bottles, take away meals and cigarette butts have all contributed to a growing menace that affects our wildlife, streets, countryside and a sense of pride. What better way to show your gratitude to Her Majesty than to clean up the countryside? Hordle Parish Council organised a litter picking session as part of this scheme in the parish.

Dudley Avenue Update. The new BMX Pump Track and Toddler Play Park with Roadway is now finished and open for use. Unfortunately the site is still very wet but the Parish Council are planning some further work to the recreation ground once we can get on site. The bund in the car park will be tidied up and new paths at the entrance to the ground will be created. A small copse has been planted at the northern end of the site to encourage wildlife and the bulbs that were planted are now coming through. **The BMX PumpTrack and Toddler Play Park was officially opened on Saturday April 2nd.**

2016/17 Budget and Precept. The Hordle Parish council budget for 2016/7 is £ 101963. This budget is funded from £ 98143 precept and £ 3020 income (from hire of the Parish Council facilities). The precept comes to the Parish Council as part of the Council Tax that you pay annually. The Parish Council have decided not to increase their proportion of the precept this year. As an example the precept that comes to the Parish Council from a band D property equates to £40.58 per year per property.

Community Grants. The Parish Council set aside a small budget every year which can be applied for by community organisations – for 2016/17 this is £1000. Application forms are available from the Parish Office and need to be completed and returned by the end of May and October, so that applications can be considered at the Parish Council meetings in June and November. For further information please contact the Parish Office on 01425-611119 or admin@hordleparishcouncil.gov.uk.

SPEEDWATCH UPDATE

What is Speed Watch?

Speeding continues to be a concern of many local communities in both rural and urban areas and the local community have an important role to play in educating drivers about this issue.

Community Speed Watch (CSW) is a locally driven initiative allowing members of the community to monitor speeds of vehicles using speed detection devices. CSW schemes are supported by local Policing teams with the aim of educating drivers to reduce their speed.

The scheme aims to cater for the problem of real or perceived speed related offending and through partnership with the community it is to be used in circumstances that are justifiable and proportionate in order to:

Reduce death and injury on the roads

Reduce the speed of vehicles to the speed limit
Improve the quality of life for local communities
Increase public awareness of inappropriate speed

How does it work?

Speed Watch is a community scheme that can only take place in 20 mph, 30 mph and some 40 mph limits or zones.

The scheme is managed by the local Police but run by volunteers. Volunteers use equipment that can monitor the speed of passing traffic and record the details, later sending them to the Police database. Vehicle checks will be undertaken by the Police and letters will be sent to the registered keepers of those vehicles exceeding the speed limit.

Recruiting Volunteers

More volunteers are needed throughout the Parish. If you have a concern regarding the speed of cars in our Parish and would like to help, for further details please contact Community Speed Watch

Music for all tastes...

By Steve Adams. (Musical Director of Village Festival

This is my third year of organising music for our festival and I'm pleased with how things are shaping up so far. The fact that Simon Collier has offered Everton Nurseries as a venue for the Sunday performances has been a huge boost and the continuing support of the Social Club and people like Gary Parsons and Steve West has made all the difference. More of that later but here is a brief run-through of the planned musical acts and events this year.

We start off on Thursday 16th with some keyboard entertainment from Cynthia Mason during the afternoon tea party at Old Mellow. Weather permitting that should be a nice relaxed (mellow?) start to proceedings. In the

evening Rob Tabard and friends will be hosting a jam session at the club so come along to that either to join in or just listen. Everyone is welcome at the club throughout the festival whether a member or not.

My good friend Steve West will be organising the folk evening on Friday 17th. Like last year, there will be a succession of different performers and bands offering a wide variety across the genre and I'm sure the usual friendly and convivial atmosphere will prevail. Ideal situation to sit back with a drink and watch Steve and friends go through their paces!

Saturday 18th is Picnic In The Park day! Bring a blanket or chairs, some food and drink and enjoy an afternoon of up-tempo live music from midday. We've got four bands playing a mixture of rock'n'roll, blues and classic rock and in between, while bands change over, we'll have dancing displays where you can join in and strut your stuff! There will be a beer tent and hog roast amongst the other refreshments available and a classic car display to enjoy. With free

entry and plenty of parking you can't go wrong!

I'm indebted to Gary Parsons for the generous loan of his humungous trailer, Pat Collins for PA duties and Les Wigmore for setting up the electrical supply.

Saturday evening sees the return of Empty Frets to the Social Club. Once again all free and unrestricted entry to an evening of all manner of music ranging from Buddy Holly to Paloma Faith (and with possibly another cameo performance from The Fretlets!).

Everton Bridge Club

Everton Bridge Club has started 2016 in a strong and buoyant mood! We have around 50 members drawn from throughout the local area and while standards and abilities may vary, we score highly in terms of enthusiasm and attendance! We gather on Tuesday Evenings and have up to 9 tables playing duplicate bridge in a friendly, competitive environment.

We meet at around 6.30pm in St. Mary's Church Hall and guests or visiting players are always welcome. Except for the 1st Tuesday in each month when we have our Ladder Pairs competition, we run a host system that means we can even accommodate single players looking for a game on most occasions.

As a Club, we feel it is important to make a contribution to help others and we actively support local and national charities. This

year our annual Charity Event on March 15th was again in aid of 'HoneyPot' who are based near Exbury and do sterling work providing holidays and respite for children who are full time carers for adult family members.

By a combination of table money and a raffle of prizes donated by the members, we managed to raise the magnificent sum of £400! In November we will take part in the 'Children in Need' Simultaneous Pairs Competition when we usually manage to make a significant contribution to the appeal.

On the social front, the AGM & Christmas Party in December was great fun, with good food, good company and good humour. Looking forward, the advent of Spring and the lighter evenings mean that the Chairman's BBQ in July is not too far away!

If you are interested in coming along to meet us and hopefully join our Club you will find all our details on our web page at www.bridgewebs.com/evertonbc/. There is an e-mail contact from the web page or please feel free to contact Eve Ritchie-Fallon on 01590 67652

Everton Rambling Club

This is our 30th year as a walking group. We have as usual a full programme of two walks each month throughout the year. The social events include a New Year lunch, an American Supper and a Skittles evening.

A leader arranges and is responsible for each walk and does a final check just before the day. Walks are generally in the Forest and start from a designated car park at 10.30 a.m. The average distance is 5 miles which we cover in about 3 hours, making a very pleasant morning.

Our club, a friendly and sociable group, enjoy both the walks and social events.

If you enjoy walking and the outdoors you are welcome to accompany us on an introductory walk before you decide to join. Our annual subscription is £8.

EVERTON POST OFFICE & VILLAGE STORES

As most of you will undoubtedly have noticed, we are STILL here!! I really can't believe that things have gone wrong again but we remain hopeful that the right person will come along eventually.

I'm sure that most people are aware that Milford Post Office is due to close at the end of May, at the time of writing there is no replacement which will be a bit of a blow as the

Post Office plays an important part in any community. Just in case anyone from Milford happens to read this I'd just like to say don't forget that we're only a short drive away and you can easily park right outside.

In the meantime I must say that I have noticed a lot of new faces in Everton over that last few weeks, which must mean that people have had more success with moving home than we have.

I would just like to say welcome to all, Everton is a really nice village and I hope that you are all happy here. It really is a bonus having a shop and Post Office in the village. You can post letters and parcels, withdraw money, have your Amazon parcels delivered here, buy euros and dollars and order any other currency for next day collection. The shop has a really extensive range, all at reasonable prices, and I'm told that our wine offers are amongst the best in the area so do come and check us out if you haven't already done so.

Hope you all have a good summer, here's hoping for a warm dry one and as usual, thank you for your custom.

Sandra & Steven Burrows

MILFORD ON SEA BOWLS CLUB

This year the Milford on Sea Bowls Club opened its green for outdoor play on April 16th. It looked great as usual, with established bowlers continuing to rank it as one of the best in Hampshire – if not the best! On occasions playing bowls on the sea-front at Milford can be challenging, even for experienced players, with the wind gusting away. To make up for it you have wonderful views of the Needles and when the wind isn't present an amazing environment in which to play bowls.

Our Open Mornings this year are on Wednesday 27th April and Sunday 8th May. If you are reading this after those dates and are interested in taking up the sport, or as yet are undecided, then please contact the Secretary (details below) and he'll make special arrangements for you. Established players should also make contact if they are interested in joining. Our members come from a wide area around Milford with many residing in the Everton area.

It's a healthy sport, played at all competitive levels at the Club. Full coaching facilities are available and for newcomers you can use club bowls for the first few months. Whilst there is a dress code it is far from onerous. Contact us to start the journey.

Scott Kelly, coming to the end of his year long space mission, said that from space the earth's atmosphere "looks very, very fragile" and "like something that we definitely need to take care of" WI members have long been aware of the need for action as shown by various resolutions brought to AGMs.

Way back in 1954 a resolution to start a national anti-litter campaign led to the formation of Keep Britain Tidy. In 1960 members voiced concern about the use of toxic sprays and urged stringent controls. 1962 heard concern for the dangers of radiation and in 1969 we were urged to do all we could to conserve the countryside.

The 1974 AGM called for a national policy for reclamation, reuse and recycling of waste while 1978 highlighted concern over increasing marine pollution.

In 1992 the first Earth Summit was held in Rio de Janeiro. This was a large international meeting held to discuss ways of protecting the environment and preserving Earth's biodiversity. Agenda 21 outlined the agreed aims but, unfortunately perhaps, this action plan was non-binding and to be voluntarily implemented.

In 2002 the second Earth Summit was held to check on progress made but, despite the official reports, Oxfam said that the outcome fell far short of what was needed !

To mark our 100th anniversary in 2015 the NFWI commissioned a report seeking members views on Britain's biggest issues. 83% said that world leaders must urgently agree a deal to tackle climate change.

74% believe that this cannot be left to future generations.

THE EVERTON PAVILION

Organised by Jackie May

The Pavilion is used by many residents as a meeting place for local group activities and the Acorn Pre School. It offers a large, comfortable room adjoined by a small kitchen. This can be hired for a very reasonable cost for meetings, parties and other social activities. **Please contact Alan Paice on 01590 644901.**

Groups that already use the Pavilion include:

Acorn Pre School.

Provides a friendly stimulating environment for children from age 2 years. If you are interested in your child joining us at Acorn Pre -school, please ring 01590 644649 and arrange a visit.

Yoga Classes.

The Monday afternoon yoga session is a restorative class and as such is limited to 12 members but Mary Dalby is always keen to hear from anyone interested on 01425 278420.

Monday evening classes are run by Dererca Sprake, see above for timings. Anyone interested in joining either class please contact her on 675695

Avril Thomas runs Anahata yoga sessions on Thursday evenings 6.15-7.45 p.m. Anyone interested in joining one of her classes can contact her on 07773506068

Art Group

Diana Collard runs the Art Group on Thursday afternoons, they are a group of friendly people who meet to socialize and help each other with different aspects related to drawing and painting.

This is not a teaching class but hopefully offers help from other members of the group.

EVERTON LADIES EVENING GROUP – LEGS

As we enter the month of May, perhaps that will prompt you to ask yourself “maybe it is time to give LEGS a go?” We offer a varied programme of excellent speakers, a fairly decent cup of coffee and an opportunity to meet neighbours and make new acquaintances in a relaxed and friendly environment, all for £2.

Meetings are on the first Monday evening of the month at 7.30pm till 9.15 at St Mary’s Church Hall (unless there is a Bank Holiday and then it is usually the second Monday) and if you are not aware of us, it might surprise you to know we have been in existence for 38 years! Any lady who lives in or near Everton is welcome and, indeed, we have many ladies who regularly travel from Lymington, Milford, New Milton, Barton, Hordle and Highcliffe to come to our meetings and events. So if you have a friend who wants to join in, why not come along together?

Our programme continues with a talk by Kathy McNally on Mata Hari on 6th June; an afternoon/ evening coach outing to Salisbury and Lyburn Cheeses for supper on 12th July; a talk by Shirley Critchley entitled “Mayhem, Mutiny and Murder – the greatest story of survival in naval history” on 5th September, and on 3rd October Lisa Morgan from Lisa’s Larder will tell us about her hectic life on the farm. Also on offer is our bi-monthly

LEGS Ladies Who Lunch, when we visit local restaurants who design a special menu at a set price for us.

Lots on offer, I do hope we get to meet you soon. Any queries, please give me a call, or just turn up on the night!

Boule (petanque)

By the time you are reading this I hope that the boule pitch will be up and running again, fit for play, after not being used since last autumn.

At this moment the bushes to one side and the hydrangers at the end are over grown, weeds have taken root in the playing surface, and the side grass requires cutting.

Now that the weather has improved I will be organising a working party, before the end of April, of those who wish to play, if I get enough support for this work all will be well and we will be able play.

If anybody who would like to try their hand at this game please contact me on 01590644901. There is no charge to play only an occasional hour or so of light work to keep the pitch tidy. All the necessary equipment has been provided by the ECA.

Do you need to get to a medical appointment?

Hordle Voluntary Care Group would like to help you. We will pick you up from home, take you to your appointment and return you to your home afterwards. We also provide transport for relatives to visit in-patients if they are unable to get to the hospital using public transport and to the 'bathing service' available in our area.

All you need to do is call our Coordinator, Margaret, on 0845 388 9063. Please leave a message and if she is not available to answer the phone she will get back to you on the next working day. Please give as much notice as possible as this is more likely to enable us to find a driver for you.

If you are unable to use a 'bus pass' you may be eligible for Travel Vouchers from Hampshire County Council. You can use these for our service and if you wish to have more information please call Margaret on the above number.

Can you help us and those in your community?

Are you looking to help in your local community?

Would you like to know that you are making a difference to someone who needs help?

We would like to increase our pool of drivers so we can help more people get to their medical appointments.

If you can spare a couple of hours a week then we would be very pleased to hear from you.

For more information please look at our new website www.hordlevoluntarycare.org.uk, contact Ian Chislett-Bruce on 07980 268318 or email hordle.care@btinternet.com for further information.

Alzheimers and Research

Last year an Everton resident came into contact with a gentleman in his 60's who had been diagnosed 6 years previously with early onset Alzheimer's. Such was the impact of this meeting that our resident, Tom, volunteered to take part in ongoing research which is funded by the Wellcome Trust. Tom was to be the 'control', as someone who didn't have the disease. However during the research it was discovered that he had a non-threatening tumour himself but that story isn't for now.

As a result of volunteering Tom spent two days in London, the first of three sessions over three years. The examinations included seven hours of psychological tests, mental arithmetic, he said it was gruelling upside down, backwards and in and out...and two hours of brain scans; during one forty minute session, unintelligible noises were played through headphones in order to see what the brain could make of them. The next day, out of the scanner, Tom had the same indescribable sounds played again in an effort to determine any sound recognition. Other random tests included monitoring with electrodes to record emotional responses and some investigations into the back of the eye looking for any abnormalities. The tests were all based on research into frontal lobe dementia.

The testing team are all qualified Doctors engaged in Phd research and are immensely grateful to anyone giving up their time and energy. Tom found the experience fascinating, compelling, if exhausting but so worthwhile that he got in touch with us to share his experience.

Anyone wishing to be involved in this type of research can register their interest online at

EVERTON VILLAGE FESTIVAL

June 16 - June 19

Arts Trail

This year's Festival brings an extended 'Arts Trail' giving Evertonians the chance to wander around the Village, pop in to an Open Studio/Garden and have a look at the talent that our local Artists possess. On Saturday there will be various venues around the Village displaying a variety of Art and Crafts, (Note: 'Rowlands', on Farmer's Walk will be open from Friday until Sunday.) Our artists are all very friendly and chatty so please ask if you see something you'd like to buy!

In the Social Club and St Mary's Church Hall, you will find Woodcarvers, Woodturners, Floristry, Jewellery and WI Craft to name a few. We're also planning a display of 'Corn Dollies'!

As if that isn't enough, Louis Rumis will be exhibiting his internationally renowned photographs in St Mary's Hall along with our Competition winners. (See page 18 for an entry form!).

Details of where to find all of the venues and further information are detailed in this year's Flyer.

If you'd like more details then please speak to a Committee Member...

JUST ABOUT ALL OF THE EVENTS ARE FREE ENTRY
HOWEVER YOU WILL NEED TICKETS FOR

VALENTINA JARRETT'S CREATIVE MASTER CLASS

This will be a lovely informal way to spend a morning. Valentina is enthusiastic and fun. She teaches on an International scale but has offered her time and energy at no cost. On June 17 at 10.30 a.m. she will be showing us how to make 3d Art and cards. No experience is necessary at all, just an interest and enthusiasm.

This a free event but we've limited the number to 20 people as Valentina is supplying all the materials! So if you are interested then please let us know to avoid disappointment. 01590 644865

THE GARDEN PARTY AT OLD MELLOW

I'm sure that you'll all agree that this a special start to our Village Festival! Our thanks go to Margaret and Dr Bowden for offering us the use of their wonderful garden at 2.30 p.m. on June 16th, this gives you the chance to relax in the beautiful surroundings of Old Mellow and enjoy a Cream tea and some music. An added bonus is that the jam is all homemade from the fruit grown in this superb garden!

There is to be a prize for the 'Prettiest Hat' and also the 'Most Amusing Hat' So get your thinking caps on everyone!!

SWING UNLIMITED AT THE FESTIVAL FINALE

This really will be an event not to be missed! It must be the first time that this popular Swing Band has performed on a summer evening in such a setting! There will be plenty of chairs amongst the flowers (and under cover) for you to relax and really get in the mood.

It's the Festival Finale so the Grand Raffle will be drawn during the Interval. Wine will be available from 6.30.

Tickets are available in advance at £5 from 01590 644865.

THE GRAND DRAW

Once again we are relying on the Raffle to offset a large amount of our Festival costs. There are some great prizes this year and again our thanks go to our local Sponsors for providing them. This is a great way to support us, so please buy a raffle ticket or five! Tickets will be on sale during the Festival at all the venues or you can buy them outside the Post Office and Everton Nurseries at various times in June.

Music for all tastes...

Cont. from page 5 By Steve Adams. (musical director)

The venue changes to Everton Nurseries for a day of entertainment on Sunday 19th when I am really pleased with the line-up for the day. We start off with Forest Youth Brass, a talented group of youngsters under the guidance of Amy Taylor from the village.

It is an opportunity for them to perform to an audience and an opportunity for us to encourage young talent and, for me, this is an important facet of the festival. Following acts are Duality with piano and vocals covering modern popular songs: Polly Morris who is a singer/songwriter with a humorous outlook on life; and the super choir Crescendi who entertained us so well last year. Special mention should be made of the Hand To Mouth Theatre which will be presenting The Dragon's Tale

in puppet form – to quote ***“Children will love the knockabout nonsense and adults will appreciate the hidden layer about growing old together!”***

You can sit in amongst the plants and flowers, maybe get some refreshment from Camellias Restaurant, and

enjoy a whole afternoon of varied and wonderful entertainment – once again, all free!

Our grand finale comes in the evening when we have Swing Unlimited Big Band. This fabulous band plays at prestigious venues all over the south and I am delighted that they have agreed to perform for us with their eclectic mix of swing, blues, jazz and just about every band genre you can think of. We are charging an entry fee of £5 for the evening which is an absolute bargain so get your tickets asap! It promises to be a fantastic finish to a brilliant day.

Finally – I've tried to provide a varied programme of musical genres and although it is impossible to include everything I hope you'll find something (hopefully a lot!) to enjoy. Ultimately the success or otherwise of the festival will depend on your response so please come along and give your support.

It is your village and your festival.

It hardly seems six months since I sat here writing the last article for the autumn newsletter and the weather doesn't seem to feel any warmer; hopefully Spring will soon show its' true colours.

Since last putting pen to paper (or fingers to keyboard!)

we have had a number of events at St Mary's where we have all enjoyed spending our time together and being part of the community in Everton.

Our Autumn Bazaar took place on Saturday, 17 October and as usual was a great event with the usual gifts, cakes and preserves all being well received. It was also a good time for folk to get together for a coffee and a piece of cake and in doing so we raised £1,215.09 for the Church and our five main missions which are Tear Fund, Scripture Union, Mission to Seafarers, Church Mission Society and the Church Army. We also continue to support the local Basics Bank with non-perishable food and toiletries being collected in a basket in the church foyer.

Christmas Carols took place outside the Village Stores and Post Office on Wednesday, 16 December and is always a lovely fore runner for Christmas time and the refreshments afterwards are always most welcome and we are grateful to Sandra and Steve for the use of their forecourt and garage.

Our Christmas Eve and Christmas Day services were happy events as we welcomed the birth of Jesus. The Church is always busy and vibrant for these occasions and it is great to see so many people from the village and those returning for Christmas time. Following on from the service some of our volunteers led by Vera Peters went straight into action preparing a lovely Christmas Day lunch followed by entertainment for those who would otherwise be alone on this day, a true act of commitment which is greatly enjoyed and appreciated by those who come along.

In March we had the return of the Women's World Day of Prayer organised by Myra Campbell and the service was written by the women of Cuba. This gave us an insight into the lives of other Christians around the world and also the chance to dress up (if we wanted!) Contrary to popular belief the service is not just for women and we were pleased to have children and *some menfolk* join us for the evening service. Next year the service will be organised by the women of the Philippines so we look forward to this although it will be good when we have a country from colder climes as the chance to dress up in jumpers would be appreciated as it can still be cold on an early March evening!

With Easter falling early this year we were into Holy week before we knew it and this was off to a lovely start with the return of Morris the donkey on Palm Sunday. Services in both the hall and the Church preceded a procession with Morris and this was enjoyed by young and old.

Then on Good Friday, you may have noticed or been part of the procession that took place at 10.00am from the Recreation Ground to St Mary's Church. This was followed by a Family service at 10.30am in the Church and Hot Cross Buns in the

hall. On Easter Sunday, 27 March we held a 10.00am Holy Communion in the Church with Family Celebration in the Church Hall at the same time. In time honoured tradition this was followed by an Easter Egg Hunt (for the children!) which due to the inclement weather was held indoors but still proved to be great fun. I am reliably informed that Easter falls nearly a month later next year so fingers crossed for sunnier weather next year.

Looking forward to the summer we hope that many will join us as we celebrate the Queen's 90th birthday with a Flower Festival to be held on Friday 10th, Saturday 11th and Sunday 12th June. There will be 30 tickets on each of these days for Cream Teas and tickets will become available from 1st June. The three days celebration will conclude with a special Songs of Praise entitled "Hymns through 90 Years" on the Sunday at 6pm and it will lovely to see everyone there.

The following Sunday on 19th June we are hoping everyone will still be in good voice as we hold a Songs of Praise at 10.00am on Crossways Green as part of this year's Everton Festival. Moving into the autumn we will be holding our Harvest Festival family service on Sunday, 25th September at 10am. In the evening on the same day we will hold our Songs of Praise followed by a Harvest Supper at 5.30pm but posters nearer the time will confirm this.

As you can see there is a lot that goes on from the 'little wooden church' in the village and there are many more services and events that I could tell you about but the best way to find out will be to come and join us on a Sunday morning at 10.00am. I ring the bell at 9.50am every Sunday to give a reminder to all the locals! We are blessed to be among a congregation who enjoy sharing their fellowship together and each ten o'clock Service is followed with coffee in the Church Hall where you can spend time with others from the congregation.

With all best wishes for a Happy Springtime and Summer,

Linda Bettle and Joyce Pope

Activities at St Mary's

Friendship Coffee

Everyone welcome for a cup of coffee and a chat in St. Mary's Church Hall on Tuesdays from 10.00 am to 11.30 am. Please ring Gillian 644739 if you need transport to get to the hall.

Friendship Lunches

After many years Cilla is handing over the baton of running the kitchen at Friendship lunch to Vera as from July, Cilla will still be helping in the kitchen and we are deeply grateful to her for her wonderful service and delicious meals over these last years. Due to this change, we are also going to gradually reduce the numbers coming to lunch from 60 to 50. This will happen over time and no-one, who is already on the regular list, will have to give up coming to the lunch. It will mean those on waiting list may have to wait a little longer to join the regular list. !!

Second Friday Scrabble and other activities

On Second Friday of month at 1.30 pm a small group meet in Church hall to play scrabble or trim used postage stamps or prepare activities for children's work.

Do join us if you are free on a second Friday at 1.30 pm

CHURCH AND COMMUNITY

All Change! Friday Fun and Everton Toddlers, where many are changed and all have fun!

Spring means Easter and then comes PENTECOST. Pentecost is an important, though less celebrated festival which really marks the start of the church. Before Jesus died, he told his disciples that he was leaving them, but that he would send them the Holy Spirit to help them. At Pentecost, we celebrate the coming of the Holy Spirit to a group of bewildered followers of Jesus who were empowered and transformed to share the message of Christ with people everywhere. There's been no looking back.

On that first day, the Holy Spirit came upon them like a wind filling the house, settling on each of them like tongues of fire. When they went outside into the bustling, city streets, they found themselves able to speak in all the languages spoken by the visiting crowds, so that everyone could understand what was being said about God's amazing wonders. All Change!

We are celebrating Pentecost together by holding a family event called All Change! on Saturday 14th May. It's an early start, running from 9.30-11.30am in St Mary's Hall. During the morning (at about 10am) we'll be hosting Everton's Big Biscuit Bake-Off. We're looking for families to compete with one another to bake the best Everton biscuit. All ingredients will be provided, so come along and see how you can 'All Change!' a bowl of flour into something delicious! We'll also be enjoying family quizzes and 'All Change!' activities, hearing more about Pentecost and sharing an 'All Change!' cake.

Calling all Everton children in Y3-6. Friday evening can be more than just a time to collapse in a heap at home! Come and join us for Friday Fun from 4.30-5.30pm each Friday evening during term time. We play table tennis and pool, table top games like 'Jenga' and running about games such as 'Mayhem and Madness'. We provide a drink and snack and enjoy sharing a Bible story together. Come and join us; make new friends or enjoy being with your 'already' friends.

Everton Toddlers happens every Wednesday morning in term time at St Mary's Hall from 9.30-11.30am. Babies, toddlers and parents/carers gather together to play with the toys, engage in craft, chat, share snack time and roll out play dough. We always end our morning together with music and singing time which is tremendous fun. If you have any neighbours with babies/toddlers, let them know about Everton Toddlers.

Family Tea is a monthly event for families on a Sunday afternoon. There is Bible based craft activity, a Toddler service and tea time together. Family Tea will be back in September, so look out for notices.

St Mary's Youth Group

So what is St Mary's doing for youth over the next coming months?

More Ready4theWKND of course!

Free entry, with a great new pool table, quality table tennis, music, quirky card games, and Nintendo Wii! We pull in around 12 youth per week and there's always room for more. We are open for School Years 7-13 and have youth ranging from Y7-10 currently.

It is a safe place, with no judgement but plenty of banter and fun.

This is a group for the youth of Everton (and from the ones we've met so far they really do this community proud) and we want to share the banter with you all.

THE YACHTING ADVENTURES OF TWO EVERTON SAILORS.

DOES ANYONE WANT TO COME?

So to another year...

And I have been thinking that my sailing articles have rather focused on what has gone wrong in 'The Kingfisher' rather than what has gone right. This has been a deliberate way of trying to be interesting but has been rather negative in its effects - and I now realise why my offers of 'oh do come sailing with us if you'd like a nice day out' have, locally at least - all been met with a horrified 'oh no thank you'. I have scared you all off! As well as shamed my apprentice captain who hangs his head in the village if he goes out at all! I notice that he still lives in his sailors hat though, so his incompetence by association has not affected his psyche too badly. So, now I am going to set the record straight!

As you may know we bought the lovely Rossiter Kingfisher when we moved to Everton. She is 29' and painted dark green with varnished wood cabin and green upholstery. Moored at Christchurch on the river, she is a beautiful floating caravan with magnificent views of Hengistbury Head and the marshes with wild horses, swans - kingfishers and all sorts of birds. It is idyllic there and many happy afternoons are spent doing a bit of maintenance on the boat, reading, sketching and drinking tea. (I am doing the sketching, reading and tea drinking).

Boatyards are happy busy places with other yachties comradely coming to exchange stories and states of the tide or the wind. Most of the women are, like me, rather frightened by the deep blue sea, especially when it is rough and cold and things go wrong - but somehow this is all part of the adventure and there is a feeling of accomplishment when you come back after a cruise that is not to be compared. You are windswept and sunburnt and physically tired, but oh so alive and happy! And it's good to be brave.

One favourite spot to sail to is Brownsea Island. Moored up behind the old Pottery Pier, once the day trippers have left the island we take the dinghy and have the place to ourselves and those pine woods and heathered plains are so lovely in the still golden evening light, the sand underfoot, the red squirrels above - and there are some dappled deer grazing -

unafraid they stare at us as we go past. Then back to the mooring and out with the gas cooker and supper is served and cooked on deck, the sun going down and the sky all ablaze with evening glory. What wallpaper! This you can't buy!

Evenings we plan tomorrow, have to check the weather and tides - listen to the radio and go to our bunks early, lulled by the motion of the sea - the cry of the gulls - the sonorous Krruit of a night jar.

So, now perhaps you can appreciate why we do it - why we have had to learn the hard way if we are to learn at all - learn to sail competently and with growing confidence every year. Not too much though, one never knows it all - but the horizon calls with further adventures and so far so wonderful.

p.s. As this is written in March there has been no sailing, otherwise I may not have waxed quite so lyrical and instead given you another horror story! But no doubt this will come, and in the meantime - does anyone want to come sailing? -

We started the new academic year in September by welcoming a new member of staff, Margaret Morris. Margaret previously worked at Barton Preschool for 25 years so brought a wealth of experience with her. After only being back for three weeks we were inspected by OFSTED.

OFSTED are responsible for inspecting and regulating settings that provide education and care for children. It felt like a long morning while we were observed, questioned and had our paperwork scrutinized! At the end of the morning following her feedback we were extremely pleased to receive a grading of outstanding for our effectiveness of the leadership and management. **Outstanding for quality of teaching, learning and assessment. Outstanding for personal development, behaviour and welfare and Outstanding for outcomes for children.** Not an easy thing to achieve particularly as we have to set everything up each morning and pack away at the end of every day. This is an acknowledgement to the hard work and dedication of all of the team.

Whilst we have achieved such a high grading we endeavour to build on our success and meet the needs of our children.

With this in mind, this summer term we are extending our opening hours to cover some afternoons. We are hoping for a long warm summer when we can go outside and take full advantage of our beautiful surroundings! Now that the weather is warming up we are looking forward to sowing some wild flower seeds in the petanque area. This should encourage bees and butterflies as well as looking beautiful for anyone using the petanque pitch.

The preschool caters for children aged 2 years until 5 years, if you would like further information please **contact Jackie on 01590 644648 or email jackieamay@hotmail.com.**

A Word from Dingle Dell...

Grapevine

As I write it looks like Spring is finally here again with storm Katie sweeping through just to remind us how close we are to the natural world.

The birds that are still surviving in our gardens will now be trying to nest, yet still people are cutting hedges even though the RSPB and BTO have asked specifically that hedges are not cut between March and August: urban man clearly thinks he knows best.

The bee hives have endured a long wet winter but the workers are now out seeking nectar and pollen where they can. They will build up their numbers until they have a full brood nest. This is when trouble begins as they start to run out of space. Once there is insufficient room in the hive, (or it may be that the Queen is getting old and not laying as she once did) the bees will set about building Queen cells until they can hatch a virgin Queen. This new Queen will then kill any other queens before leaving the hive on a mating flight. She will mate with several drones which will allow her to lay fertile eggs for the rest of her life, which could be three or four years. Returning to the hive she will then take half the colony in search of a new home making sure they are all full of food before they go. This

results in a very docile swarm who just want to rest. This is the ball of bees you will see in an apple tree or around a fence post.

If you come across such a swarm you should phone your local bee keepers, in this case **New Forest Bee Keepers Association** and they will come

and collect the swarm; the phone number to ring is 01425 610402.

Swarming can also take place when the old Queen is superseded by her daughter, although on occasion they may not swarm at all, instead, the old Queen may stay in the hive and lay with her daughter. However this will not last long, the old Queen will be killed by either her daughter or the workers; there is no sentimentality in the world of bees.

After either swarming or supercedure the colony will build up very swiftly in size until it is many thousands strong and the bees will then start storing honey. It seems bees have a strong instinct to swarm as it is the only way they can enlarge their colony, so in order to keep one step ahead the beekeeper must trick the bees into thinking they have swarmed. This is done in several ways and there will be more on that next time for those of you who are still awake. Enjoy your spring.

Hedgegrub

The naked earth is warm with Spring,
And with the green grass and bursting trees
Leans to the sun's gaze glorying,
And quivers in the sunny breeze.

Julian Grenfell 1888-1915

And with the Spring come the celebrations, with Pete and Pat Dolphin's Diamond Wedding Anniversary, and Steve and Pauline Day's Ruby Anniversary. Also celebrating their good luck with a prize cruise are Alistair and Audrey Stewart. Connor Lopez is making great strides with his success with the Junior New Forest Runners. Well done all.

Bob Walker remembers running when a German fighter plane was shot down in October 1940 in the fields behind Everton Nurseries. He says, 'I well remember running across these fields from Harts Lane(now Everton Road) towards where a large pall of black smoke rose and small bore ammunition could be heard cracking in the burning wreckage, while overhead Spitfires were swooping over low, doing the Victory Roll.

Sadly we've lost two lovely gentlemen recently, Phil Gosling who played such a large part in the development of the New Forest Show, and Frank Meager. Both will be greatly missed by their friends and respective local families.

Photographing Birds

Louis Rumis

Great Spotted Woodpecker.

Like many of us in Everton, I enjoy the birds in my garden and like you; I probably spend quite large sums of money every year, on a great variety of foods to attract them into my garden. I found that I would then, spend even larger sums of money travelling around the World to photograph wildlife, birds amongst them. I subsequently considered that it may be quite satisfying to photograph some of the birds in my garden; after all no Passport or Visa is required and travel expenses are quite minimal. In addition, it's not too far away from my favourite armchair and as a bonus I have no need to check the weather forecast each day-I just look out of the window, then decide whether or not I actually need to get out of my armchair!

We know that tube feeders are preferred by, Goldfinches, Bullfinches, Greenfinches as well as many other finches, these are filled with Sunflower hearts (or striped sunflower). A nut-feeder, (peanuts) for the tits, nuthatches and woodpeckers etc. I do in fact have five hanging feeders, a little

Nuthatch.

over the top maybe. These hang; "under" my bird table-this allows the birds to continue to feed during quite heavy rain. I also, feed all year around now!

Photography: This can be done from inside a simple hide or screen, the garden shed, greenhouse, or the conservatory. I also suspect you don't want pictures of birds on the feeders? I didn't think so; we now need to introduce our "props;" that are set fairly close to our feeders, branches, old mossy logs, sticks, twigs, but change these regularly and ensure they are interesting. Make a bracket of some sort to attach these onto. Your background needs to be far enough away so as to ensure it does not detract from your main image. No white walls or yellow flowers. Pay attention to detail and this will show in your results. Examine your images and decide how you can improve them, most of all just enjoy yourself; a good picture at the end will be a little added bonus to your project. My garden is for the wildlife that's around and I enjoy attracting them into it.

Photographic Competition

At this year's Village Festival, we will be holding a Photographic Competition for Junior under 16 local photographers. Entries will be exhibited , and the winners announced on Saturday June 18th at in St Mary's Hall. . The scope of the Competition will be as follows:

1. Any wildlife, seascape, landscape or skyscape photograph taken in the New Forest and its environs, including the coast line along its borders, the towns and villages within, and of course Everton.
2. Try and make your photograph display a story – not just a single bird or flower.
3. Your photograph(s) may be of any size but mounted on a firm backing – please no bigger than 400 x 500mm overall, including the mount.
4. Your photograph(s) may be either monochrome or colour.
5. The photographs should be original and of your own work.
6. You can submit a maximum of three photographs.

Your photograph(s) should be submitted between 3 and 6pm on 4th June at 7 Frys Lane Everton. You should clearly show your name, contact number and age on the back of each mount. If you are submitting more than one photograph, please print a number 1, 2 or 3, where number 1 is your favourite.

We hope to display all photographs – but may have to limit depending on the number of entries. You may collect your photograph/s after the Festival from 7 Frys Lane. Call 01590 644865 to arrange a time.

The photographs will be judged by Louis Rumis, International prize winner AFIAP MPAGBFRES.– but please do not let this put you off submitting your photograph(s)! The photographs will be judged on quality and of prime importance, the storytelling factor.

Please complete the following tear-off slip when submitting your photograph(s).

"My arms have got so weak I can hardly lift this cup of coffee," said one.

"Yes, I know," said another. "My cataracts are so bad; I can't even see my coffee."

"I couldn't even mark an 'X' at election time because my hands are so crippled," volunteered a third.

"What? Speak up! What? I can't hear you," said one elderly lady.

"I can't turn my head because of the arthritis in my neck" Said one, to which several nodded weakly in agreement.

"My blood pressure pills make me so dizzy!" exclaimed another. "I forget where I am, and where I'm going," said another.

"I guess that's the price we pay for getting old," Winced an old man as he slowly shook his head.

The others nodded in agreement.

"Well, count your blessings," said a woman cheerfully. " ...Thank goodness we can all still drive
